

## The Open Door To Comfort

You can have an open, well ventilated room for sleeping and dress in it in perfect comfort if you have a gas heater installed. It will not only make any room warm and cozy but it will also drive out the damp. You don't have to wait for a slow fire to come up. THE GAS HEATER acts instantly-strike a match, turn on the gas, light it, and then sit back and enjoy the comfort that comes with genial warmth and there is neither odor nor smoke. You can eliminate the uncertainties of spring or fall. We have them in every size and prices rang-

Danger Signals to Women are what one physician called backache, headache, nervousness, and the blues. In many cases they are symptoms of some female derangement or an inflam-matory, olderative condition, which may be overcome by taking Lydia E. Pink-hum's Vegetable Compound. Thousands of American women willingly testify to its virtue.
